

Trauma-Informed Parenting Skills Support Group

This group is a combination of more in-depth psychoeducation on topics from the TIPS class with a lot of time for social support from other group members & facilitators (ie. about the first 30 minutes will be spent in lecture and the final hour will be for support)

This is only for caregivers who have successfully completed one of our TIPS Parenting Classes and are looking for additional educational/social support from other caregivers in similar circumstances and the group facilitators.

When: Starting Wednesday, August 14th, held weekly on Wednesdays, 11-12:30 PM

**Where: On-site at Childsafe
2001 S. Shields Street, BLDG K.**
